Team Coordination Notes

Aspect	Details
Team Leader / Coordinator	Swetha.K
Overall Team Coordination Rating (1-5)	Not formally recorded in the supplied report.
Any Issues During Demo	Not recorded in the supplied report.
How Issues Were Resolved	Use coordinated presentation, module ownership and shared test/demo flow.

The section assignments above are a proposed demo allocation based on the four named team members; the supplied project report identifies the team but does not document historical presentation assignments.
